

GENESIS

HOUSE

PHILOSOPHY

The Beverage Program at Genesis House is designed to be an extension of the culinary program - whether or not you choose to imbibe spirits.

The diversity of our program is designed to center the greater culinary vision of Chef Mincheol Shin and his modern interpretations of Korean Classics.

Traditional Korean Sool, an extensive global wine list, craft beer, and a diverse selection of artisanal Korean Teas and Tisanes are designed to pair and elevate the experience as we welcome you into our space.

DRAFT RESIDENCY

TALEA NEW YORK CITY, NY

A portmanteau of the brewers' first names, 'Tara' and 'LeAnn' - TALEA is the first all-women owned microbrewery in the city of New York.

After years of browsing beer aisles and visiting breweries, they found that despite the booming craft beer market, no breweries were actively trying to speak to customers like them. They set out to create an inclusive, approachable beer company that would bring beer to a wider market.

오감차 OGAM-CHA

Genesis Ogam-Cha is the signature Tisane of Genesis House.

Literally translating to 'Five Flavor Tea,' Genesis Ogam-Cha is a blend of five signature Korean botanicals: jujube, ginger, pumpkin, citron and beetroot.

The effect of this signature blend brings out a rich, warming tone with high notes of ginger, the brightness of dry citron, the sweetness of toasted dry pumpkin, the earthiness of dried beets, and the sweet and savory tone of jujube.
