

GENESIS
HOUSE

PHILOSOPHY

The Beverage Program at Genesis House is designed to be an extension of the culinary program - whether or not you choose to imbibe spirits.

The diversity of our program is designed to center the greater culinary vision of Chef Mincheol Shin and his modern interpretations of Korean Classics.

Traditional Korean Sool, an extensive global wine list, craft beer, and a diverse selection of artisanal Korean Teas and Tisanes are designed to pair and elevate the experience as we welcome you into our space.
